Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Art, friendship, innovative thinking, creativity, words, and laughter. This was what was important! Art changed drastically in the early 1900's. Many young women were part of this, but few were remembered. Her determined self-actualization was a role-model, a legacy far beyond immediate family. Peter never had children, but many "godchildren" were part of her life, as she was to a special wise-woman in the desert, Edith Warner. Poets and physicists and Pueblo life...
